

Salowmaleýkum agzalar.

Ýene men size bir gyzykly gerek bolaýjak tema paýlaşmakçy. Ýagny: **Microsoft Outloog-y kompýutere nädip gurnamaly?**

Tema girişeliň onda.

Gurnamakdan ozal ilki bilen kompýuter internede birikdirilenmi ýa-da ýok ony bilmeli.

Eger birikdirilmedik bolsa birikdirýäris. Soňra “Gurnamak” ýagny [su link](#) boýunça dowam etmeli. Soňra bolsa birnäçe bellijikler geçmeli we **smtp-serwer** üsti bilen Rambler-poçta hat ugratmaly.

Gurnamak:

1) **Microsoft Outloog-y kompýutere gurnaýarys.**

2) Soňra bolsa ýokardaky tanyşdyryp geçen linkimiz boýunça dowam etmeli. Ýagny: [Su link](#)

.

2-sany etap boýunça ýumuşlary ýerine ýetirmeli. Netijede: “Poçta açarys”.

2-sany etap bular.

1-nji etaby ýerine ýetirilşi: **Adyňyz, familiýaňyz, poçta saýlamaklyk**. Poçta adres men: bad_wolff@rambler.ru aldym. Siz özüňe ýaraýjak we saýlanmadyk poçta ýazarsyňyz soňra bolsa “OK”

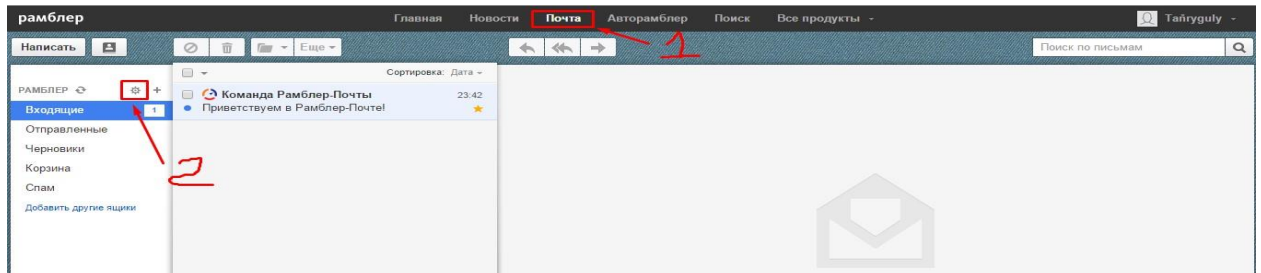

2-nji etabyň ýerine ýetirilşi: “Parol, paroly gaýtalamak “ (1), “Öz islegiňe görä” (2), “goşmaça poçta”(3), suratdaky ýaly dowam etýäňiz. Soňra çykan sifrleri boşluk öýjüge goýýaňyz (6), OK(7).

The screenshot shows the registration form for a Rambler.ru email account. Red arrows and numbers 1 through 7 point to specific fields and the registration button:

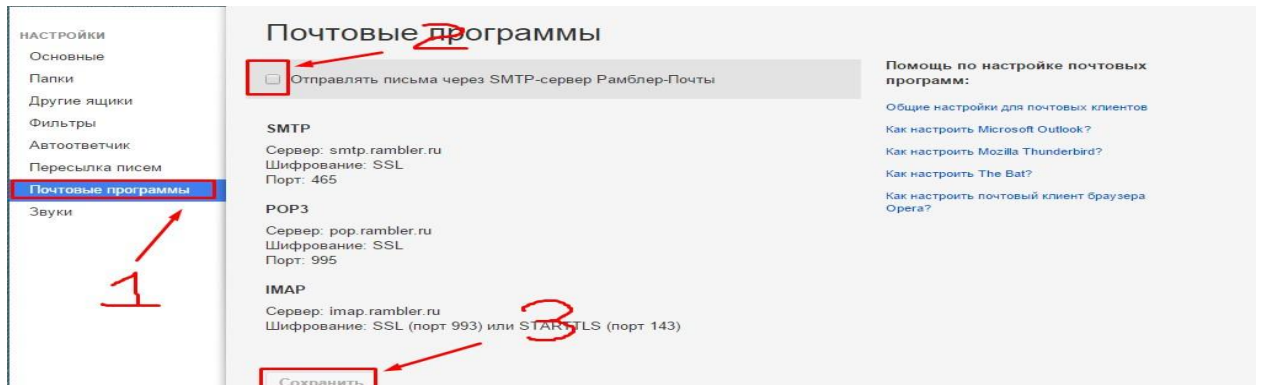

- 1: Password field (Придумайте пароль:)
- 2: Repeat password field (Повторите пароль:)
- 3: Security question dropdown (Контрольный вопрос: Любимая книга)
- 4: Answer to security question (Ответ на вопрос: Winner)
- 5: Backup email field (Запасная почта: myradov.95@mail.ru)
- 6: Gender selection (Пол: Мужской / Женский)
- 7: Birth date fields (Дата рождения: 26 апреля 1995)

Additional text on the form includes: "Средняя надежность. От 6 до 16 знаков без русских букв" and "Если вы забудете пароль, ответ на контрольный вопрос и запасная почта помогут восстановить доступ". A CAPTCHA image with the text "EGNRG" is shown with the instruction "Введите символы с картинки:". A link "Показать другие символы" is also present. The "Зарегистрироваться" button is at the bottom.

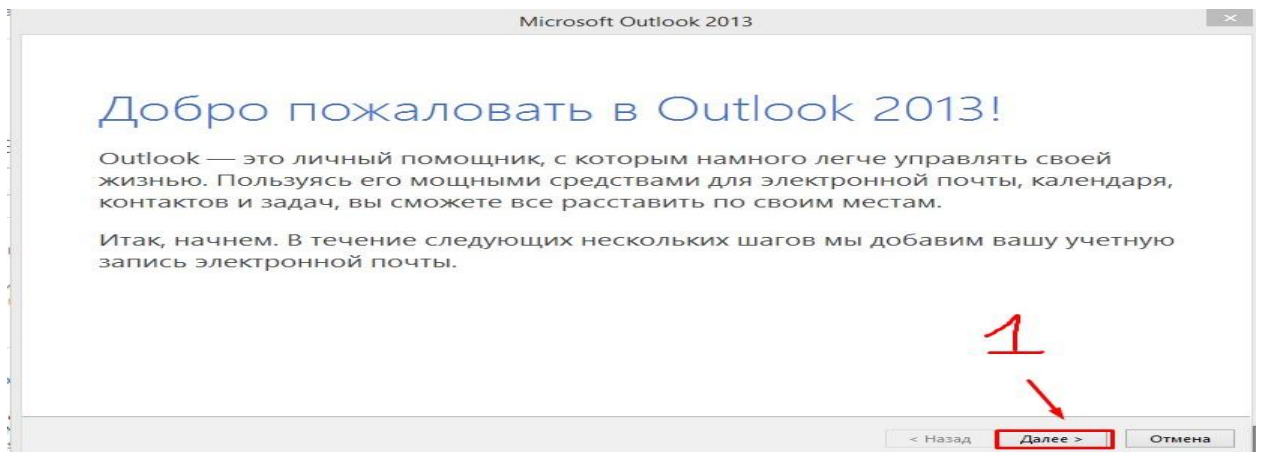

Soňra öz @rambler.ru sahypaňyz girer. Ol ýerde bolsa ýerine ýetirmeli işler “Poçta”(1) , ”Sazlamak” (2)

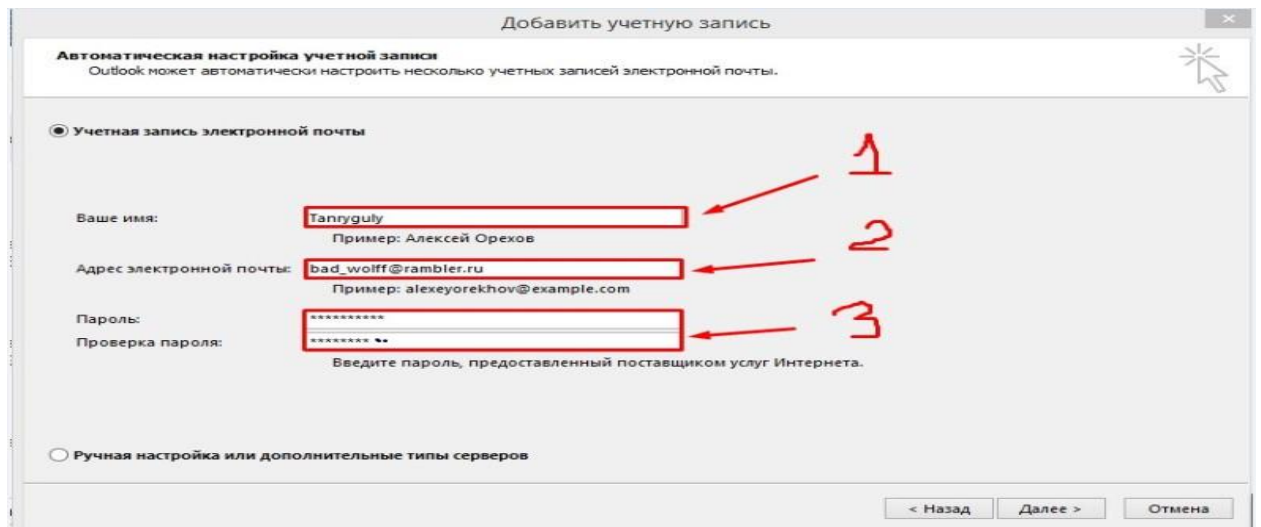

“Poçtawoý programma” (1), “bellijek etmeli “ (2). “Ok” (3)

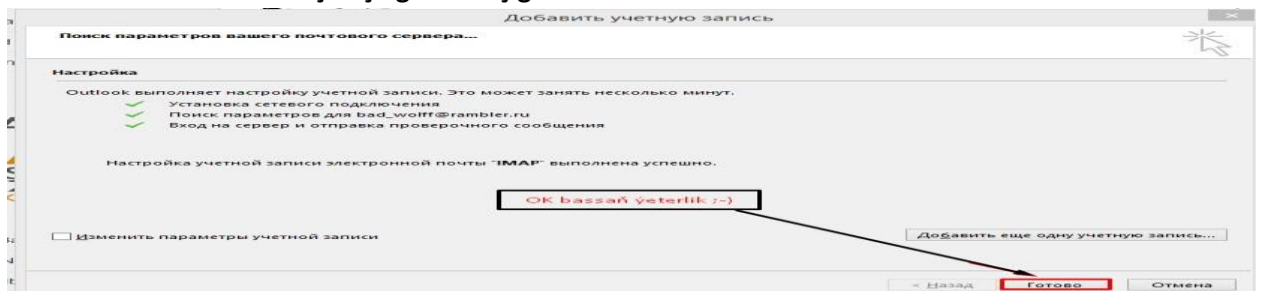

Kompýuterden Microsoft Outlook-y açmaly.
